EDUCATION

Master of Clinical Rehabilitation and Mental Health Counseling

May 20XX

Concentration: Addictions and Substance Abuse Counseling

University of South Florida (USF), Tampa, FL

GPA: 3.95/4.00

Thesis: Examining the Efficacy of Cognitive-Behavioral Intervention in Reducing Suicidal Ideation among At-Risk Adolescents

Bachelor of Arts in Psychology

May 20XX

Minor: Applied Behavior Analysis

University of South Florida, Tampa, FL

GPA: 3.89/4.00

CLINICAL EXPERIENCE

Applied Behavioral Analyst, Dynamics Institute, Tampa, FL

January 20XX – Present

- Conducted functional behavior assessments (FBA's) for clients between the ages of 5-12 to identify causes of challenging behaviors
- Facilitated ongoing training and support to caregivers and guardians to promote the implementation of intervention strategies
- Monitored and tracked progress towards behavioral goals to ensure effectiveness of behavior intervention plans (BIP's)
- Collaborated with other healthcare providers such as speech therapists, occupational therapists, and educators to ensure a holistic approach to supporting clients' progress

Behavioral Intervention Intern, Behavioral Health Clinic, Tampa, FL

September 20XX – May 20XX

- Assessed 4-6 patients per day to determine clients' behavioral health needs and determine the appropriate treatment provider and plan for each patient
- Provided one-on-one and group counseling sessions with clients aged 18-55 utilizing evidence-based behavioral interventions under the supervision of licensed mental health counselors
- Facilitated workshops for clients and families to offer additional guidance on behavior management techniques and effective communication strategies

School Counselor Intern, Rocky's Middle School, Tampa, FL

August 20XX – August 20XX

- Utilized person-centered, play, and reality therapy approaches to address student and parent concerns during counseling sessions
- Facilitated small group counseling sessions of 10-12 students to improve academic motivation, decision-making skills, and peer relationships
- Presented to classrooms of 25-30 students to provide guidance lessons focused on life skills such as building social skills, coping mechanisms, personal responsibility, and personal safety
- Engaged in collaborative family-teacher meetings to provide updates on students' progress and create plans to improve students' behavior and academic performance

TEACHING EXPERIENCE

Adjunct Faculty, Developmental Psychology DEP 4053, University of South Florida

August 20XX – Present

- Prepared and presented engaging lectures to 50+ undergraduate students
- Utilized Canvas to communicate, monitor progress, and grade assignments for students
- Provided regular office hours to provide opportunities for one-on-one academic coaching related to course material
- Reviewed feedback from student survey data after each term to make improvements to communication and quality of assignments, resources, and module content within the course

COMMUNITY ENGAGEMENT

Crisis Hotline Volunteer, *Rocky's Mental Health Center, Tampa, FL* October 20XX – April 20XX

- Offered support to individuals experiencing mental health challenges through phone calls and online meetings
- Implemented crisis intervention techniques and developed plans to mitigate immediate risks
- Conducted assessments of patients needs and provided referrals to appropriate community resources such as mental health clinics, support groups, and emergency services

Special Education Classroom Volunteer, *Rocky's Middle School, Tampa, FL* December 20XX – May 20XX

- Created education plans for students with diverse learning needs under the supervision of teachers
- Supported students in developing communication, problem-solving, and adaptability skills through structured activities
- Distributed class materials and facilitated engaging activities to promote an inclusive classroom environment

LEADERSHIP

Vice President, *USF Psychology Club, Tampa, FL* September 20XX – May 20XX

- Organized club meetings, events, and volunteer activities to increase knowledge of industry
- Provided resources and information about potential careers in psychology, organizing guest speaker events and networking opportunities to expose students to various career paths and industry trends
- Moderated and managed the club's social media platforms to enhance communication, outreach, and engagement with the university community

Resident Assistant, *University Residence Hall, Tampa, FL* August 20XX – May 20XX

- Served as peer leader for residents, creating an inclusive living environment centered around growth and community engagement
- Organized variety of social activities, community-building initiatives, and workshops to enhance overall experience for students
- Responded to student concerns, conflicts, and emergencies in residence hall, directing concerns according to student needs
