EDUCATION

University of California, Berkeley
Master of Arts in Education

May 20XX

San Francisco State University
Bachelor of Arts in Sociology

May 20XX

PROJECT

High School Graduation and College Readiness Data Trends

September 20XX - December 20XX

- Cleaned and analyzed longitudinal datasets for over 5,000 public high school students using R to identify retention, graduation rates, and career readiness trends
- Created data visualizations using ggplot2 to illustrate trends across demographic groups
- Conducted a literature review and interviewed 10+ school district and educational nonprofit leaders to evaluate best practices for retention, graduate rates, and career readiness
- Developed a comprehensive report highlighting the data trends and actionable recommendations to provide effective student services

RELEVANT PROFESSIONAL EXPERIENCE

University of California, Berkeley, Berkeley, CA

January 20XX – Present

Youth Development Specialist/Research Assistant

- Plan and facilitate activities for groups of 20-25 students ages 14-18 to develop self-efficacy and confidence in 2-3 East Bay schools
- Collaborate with program director and 5 specialists to gather quantitative and qualitative data, conduct literature reviews, and perform assessments to evaluate program effectiveness
- Manage and code qualitative data from student insights in SPSS and determine themes in student experiences and reported findings to program director

East Bay Youth Services, Oakland, CA

August 20XX – May 20XX

Program Coordinator

- Engaged with 20-25 high school students in groups to discuss college and career preparation topics such as major and career exploration, college applications, and scholarship research
- Hosted workshops for 40-50 parents to educate them about the college application process and financial resources to support higher education
- Cultivated partnerships with school administrators to coordinate logistics to implement workshops
- Created a survey utilizing Qualtrics to assess student and parent needs and satisfaction with workshops

San Francisco State University, San Francisco, CA

June 20XX – July 20XX

Program Coordinator, Office of Research and Sponsored Programs

- Collaborated with program directors and faculty to implement events, including orientation week activities, reaching 25-50 students per event
- Managed budget for student activities using Microsoft Excel and generated monthly budget reports for program directors
- Created and analyzed student experience surveys using Qualtrics and communicated key trends to program directors each semester

LEADERSHIP EXPERIENCE

UC Berkeley Graduate Division, Berkeley, CA

August 20XX – May 20XX

Diversity & Community Fellow

- Provide one-on-one academic and career advising to prospective and current UC Berkeley students to enhance the cultural, academic and professional experiences of historically underrepresented students
- Collaborate with Fellows and campus partners to plan and implement 8 programs for students focused on graduate school preparation and professional development opportunities
