PROFESSIONAL EXPERIENCE

Public Broadcasting Service (PBS-NC) **Chapel Hill, NC**
Executive Assistant (Temporary) **Aug 20XX – Present**

- Execute day-to-day administrative, financial, and operational functions by collaborating with C-level executives including scheduling meetings, capturing minutes, and updating finance databases as needed
- Study requests for proposals (RFPs) to support grant writing for state, federal, and smaller private funding
- Research new grant opportunities to support business development for PBS foundation

University of North Carolina at Chapel Hill **Chapel Hill, NC**
Study Abroad Coordinator (Temporary) **Feb 20XX – Aug 20XX**

- Managed study abroad programming and student data using Terra Dotta software
- Supported international education evaluation efforts to influence grant writing
- Collaborated with leadership to design and distribute data tools to better monitor international education outcomes

United States Agency for International Development (USAID) **Remote**
Virtual Student Federal Service (VSFS) Intern **Sept 20XX – Aug 20XX**

- Produced a 50-page knowledge product and graphics outlining resources, best practices, and suggestions to promote USAID higher education storytelling and communication strategies for implementing partners
- Committed 10-15 hours a week to conducting research and codifying learning to generate evidence reviews for the Higher Education Learning Agenda to promote evidence based strategic planning, and activity design for USG partner initiatives
- Modified a database to include exemplary news stories, social media posts, and USAID affiliated press articles showcasing higher education themes
- Supported a USAID implementing partner in proposal development of a gender and education contract

North Carolina State University

Raleigh, NC

Graduate Research & Evaluation Fellow

Dec 20XX – May 20XX

- Cleaned and analyzed a dataset of over 400 alumni to generate findings to strengthen graduate program outcomes and alumni relations and wrote a brief to summarize results and recommendations
- Designed and carried out a comprehensive review of program's recruitment strategies and student outcomes
- Developed an outcome assessment tool using LinkedIn profiles and career profile analyses and advised director on new recruitment strategies and web site re-design
- Identified and collected quality data pertaining to economic and human development for sub-Saharan Africa

Teaching Assistant

Jan 20XX – May 20XX

- Co-facilitated an undergraduate "Introduction to International Relations" course for 40 students by managing course content, and meeting individually with students
- Graded and provided detailed feedback on 120+ political science academic essays and exams

Graduate Program Research Assistant

Dec 20XX – June 20XX

- Compiled, cleaned, and analyzed 5-6 large data sets capturing student recruitment trends for a graduate program
- Codified and translated data sets using advanced Microsoft Excel functions
- Produced a 10-page memo report for a formative evaluation used to influence business strategies for student engagement and recruitment
- Provided robust recommendations on increasing diversity within the program and foster stronger partnerships with local institutions

The International Republican Institute (IRI)

Washington, DC

Monitoring, Evaluation, Learning Intern

Sept 20XX – Dec 20XX

- Supported data aggregation and quality controls for internal database by collection of MEL documents (AMELPS, PMPs, PITTs) from project teams
- Co-led data analysis for endline evaluation, including codebook development, data cleaning, qualitative coding, and analysis for interview transcripts, and developing report findings
- Developed infographics to visualize key findings related to a learning agenda literature review
- Contributed to the final report for a NED-funded program, including coordinating final inputs and data, and editing and writing final sections such as activity summaries, lessons learned, and success stories
- Assisted in democracy and governance event planning, including timely administrative tasks utilizing calendar scheduling and preparing agendas for knowledge sharing and management

University of Arizona

Tucson, AZ

Special Projects Associate with Global Experiential Learning (GEL)

Sept 20XX – June 20XX

- Wrote 10+ grants to secure funding and increase business development for international education programming; awarded 7 out of 10 grants
- Produced course materials for students; conducted interviews for larger international education programming; led rigorous orientations for 40+ students, staff, and faculty
- Managed and supervised a team of 10 student interns while creating delegating tasks and timelines associated with domestic student programs within Arizona that foster civic engagement, cultural immersion, environmental justice, and equity
- Designed pre-and post-assessments for program evaluation and learning; collaborated with department Data Specialist to produce assessment tools connecting experiential study abroad participation to higher levels of student retention and graduation

Administrative Associate with Student Success and Retention Innovation

- Co-led a \$50,000 grant project promoting student success, retention, and degree completion; served on a grant review committee and facilitated presentations for grant recipients at an annual conference
- Prepared evidence-based surveys to monitor grant recipients' project progress and assess the effectiveness and longevity of the grant
- Maintained Associate Provost's calendar while scheduling meetings, events, and managed departmental invoices and booked travel arrangements

- Planned an event at annual conference attended by 300+ individuals negotiating sponsorships for the event across the university and Tucson
