EDUCATION

North Carolina State University, Raleigh, NC
B.S. Chemistry, Minor in Biological Sciences, GPA: 3.9

Expected May 20XX

RESEARCH EXPERIENCE

Undergraduate Research Assistant

January 20XX-Present

NC State University Department of Chemistry, Raleigh, NC

- Investigate the development of a standard system suitability testing (SST) protocol to ensure optimal instrument conditions prior to sample analysis for mass spectrometry imaging analysis (MSI) by IR-MALDESI

RELEVANT SKILLS

Orbitrap Mass Spectrometer (Exploris 240), Infrared Matrix-Assisted Laser Desorption Electrospray Ionization (IR-MALDESI), TM-Sprayer Operation, Origin Graphing Program, UV-Vis Spectroscopy
CorelDraw Graphics Software, MSiReader, High Performance Liquid Chromatography

LEADERSHIP EXPERIENCE

Alpha Chi Sigma Professional Chemistry Fraternity, NC State University, Raleigh NC

May 20XX-Present

President, May 20XX-Present

- Collaborate with board members and delegate bi-weekly action-items to lead an organization of 40+ members
