CONSULTING

Synthesis of Client Experiences, MN Brain Injury Alliance (40 Hours) March 20xx

- Participated in training on services and experiences (including HIPAA training) of people living with brain injuries
- Collected and synthesized case reviews and conducted phone surveys with clients to present recommendations to address negative feedback and highlight positive stories for use by the organization

Website Audit, S Pratt Consulting, LLC (40 Hours)

October 20xx

- Conducted market research for a consulting firm and provided recommendations to improve usability, inclusiveness of content, and better reflect the brand
- Created a mockup of a new website, mapping suggested flow and structure, as well as design layout of photos, testimonials, and graphics to improve user engagement

VOLUNTEER EXPERIENCE

Design Coordinator, Lomepolis Health Team, Minneapolis, MN August 20xx—August 20xx

- Produced a monthly member e-newsletter and evaluated the existing e-newsletter platform
- Collaborated with Program and Operations Manager to develop content for social media, email communications, and monthly member e-newsletter
- Utilized social media platforms to spread awareness of the mission to make health care, tax prep, and investment accessible to all Minnesotans

Trauma Unit Volunteer, Regions Hospital, St. Paul, MN

August 20xx- May 20xx

- Provided orientation to the unit for families, friends, and guests
- Answered call lights and assisted with phones/clerical work
- Visited and provided companionship to patients
