EDUCATION

Bachelor of Arts: Psychology, Minor: Sociology

Anticipated May 20xx

University of Minnesota-Twin Cities, Minneapolis, MN

GPA: 3.86

COURSE PROJECTS

Facial Perception and Face-Specialized Processing Systems

Fall 20xx

PSY 3051 - Introduction to Sensation and Perception, University of Minnesota

- Utilized chimeric faces to better understand the mechanism of face-specialized processing systems
- Conducted small-scale research trials to test the hypothesis that facial systems only process upright, aligned faces
- Averaged participant data to create figures and interpret the effect of face alignment and face orientation on response time

Understanding Health Disparities in Minneapolis

Spring 20xx

SOC 3801- Sociological Research Methods, University of Minnesota

- Independently researched, designed, and gathered information about existing health disparities in marginalized communities to better understand health access in Minneapolis
- Created materials designed to educate the public about health resources through the use of diagrams, visual statistics, and eye-catching graphics
- Presented findings to students, faculty, and staff in the sociology department at a symposium to share findings and answered questions from the audience

WORK EXPERIENCE

Student Facilities Assistant, Bell Museum, Minneapolis, MN

January 20xx - Present

- Oversee opening and closing procedures and monitor exhibition spaces
- Maintain museum grounds within the building envelope, ensuring accessible paths
- Assist with cleaning and resetting of spaces between daytime programs and events

Produce Associate, Cub Foods, Roseville, MN

September 202xx - December 20xx

- Managed and approved the donation of thousands of dollars' worth of food to aid the local food pantry
- Surveyed the produce department for out-of-date and spoiled food to maintain the department's sanitation and quality
- Organized the layout of the produce department to allow for customer ease of shopping
