VOLUNTEER EXPERIENCE

Occupational Therapy Aide (Volunteer), Methodist Hospital, St. Louis Park, MN

August 20xx - Present

- Conduct patient care under the direction of a therapist
- Transport patients between therapies or to the waiting area for transport to their room
- Assist with filing, faxing, photocopying, and other clerical tasks

Health Advocate (Volunteer), Boynton Health, University of Minnesota Minneapolis, MN

August 20xx - Present

- Share information and prevention strategies with other students and refer students to health resources on campus to increase awareness and access
- Distribute cold medicine, ibuprofen, bandages, condoms, and other medical items

Patient Experience Volunteer, Emergency Department, Regions Hospital, St. Paul, MN

January 20xx - May 20xx

- Assisted triage nurses with attending to patients waiting to be seen and their families
- Escorted patients to their rooms and answered call lights
- Attended weekly educational conferences along with nurses and medical staff
- Maintained an efficient and welcoming environment throughout the emergency department in order to improve patient experience

WORK EXPERIENCE

Shift Lead, Panera, Minneapolis, MN

September 20xx - Present

- Supervised and coordinated a team of 8–15 associates during high-volume shifts, delegating tasks to maintain efficient front-of-house operations and fast service times
- Delivered exceptional customer service by assisting guests, resolving concerns, and ensuring accurate orders, contributing to a positive dining experience.
- Trained and mentored new team members on POS systems, service standards, and food safety procedures to maintain consistency and quality.
- Managed opening and closing procedures including cash handling, register balancing, and store readiness while ensuring compliance with company policies.
- Monitored workflow and promoted menu items during peak hours, helping improve efficiency, reduce wait times, and support daily sales goals.
